

Dress in BLUE day is  
Friday, March 2.

Prevention is key.

Compass is proud  
to work with the  
NHCRCSP to help  
promote colon  
cancer awareness  
and encourage our  
members to have  
screenings.

## ATTENTION MEMBERS:

You can qualify for a \$150 reward by shopping with Compass and choosing a cost-effective facility for your next colonoscopy. You may already be visiting a cost-effective location. Find out by contacting Compass before scheduling your next appointment.

Earn **FINANCIAL REWARDS** simply by  
getting the **HEALTHCARE** services **YOU NEED.**

### Here's how it works:

- Your doctor recommends a medical procedure or test.
- Call Compass at 800-824-9127, or access the website at [www.compassmartshopper.com](http://www.compassmartshopper.com). An adviser will give you information on cost-effective options in your area for your service. Have your insurance card handy for verification.
- Call your doctor to schedule the service at the facility of your choice.
- If you use a cost-effective location, an incentive check will be mailed to your home after your claim has been paid.
